

DIAPERING ^{THE} SAFE AND HEALTHY WAY

1

LAY
the child on the paper lined diapering surface, taking care to hold the child away from your clothes.
PUT on disposable gloves.

2

REMOVE
diaper and clothes if soiled.
PUT diaper in covered plastic lined trash can.
PUT soiled clothes (without rinsing) in a plastic bag to be taken home.

3

CLEAN Clean the child's bottom with a baby wipe - wiping from front to back
PUT the baby wipe in the trash can.
REMOVE the paper from beneath the child and throw away in trash can.

4

REMOVE
gloves and throw away in trash can.
WIPE your hands with baby wipe and throw it away in trash can.

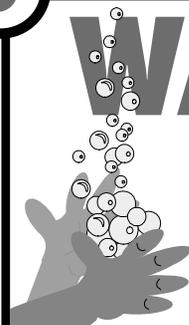

SAFETY FIRST: Never leave a child unattended - not even for a moment.

5

DIAPER
and dress the child. Now you can hold her close to you.

6

WASH
the child's hands and return her to the play area.

7

CLEAN and DISINFECT
the diapering surface and any equipment and supplies you touched.

8

AFTER EACH DIAPER CHANGE, WASH YOUR HANDS.
