Celebrate our progress, acknowledge those who are leading the way, and encourage others to join the movement to transform our community from #142 to one of the healthiest – and thriving – cities in the country.

Please bring as many others as you can, along with signs to identify your group and what you are doing to support healthy lifestyle options for our community.

“Rally for a Healthy City” will be immediately followed by group walk through downtown, coordinated by the City of Omaha and Blue Cross Blue Shield of Nebraska.
